## 1 John 4:7-21

### Our Broken World should point the believer to Godliness

We know that our world is broken.

Crisis is nothing new for us.

We are aware of 'false teachers' in our world today.

John gives us simple themes to understand.

John shows how to identify the Spirit of God (Vs 3, 4)

### The Core of God's Nature is Love

God is love, His nature is found in His Word.

The Psalms tell of His love (94, 63, 103, 52, 107, 40, 32)

We are known by our love (vs 10)

We can live consistently, resting in His love

We have peace, through the Cross (Coll 1:20)

### We Reflect His Nature by Loving Others

When we learn to trust Him, we can love others.

John's simple words (vs 16), dwell in love and dwell in God.

We can't live in love and hate (ignore, belittle, exclude) others (vs 20).

Romans 15:1 – 2, bear each other's weaknesses.
